--	---------------	--

The City of Bismarck is encouraging citizens to provide their comments for public hearing items on the Renaissance Zone Authority agenda via email to planning@bismarcknd.gov. The comments will be sent to the Renaissance Zone Authority prior to the meeting and included in the minutes of the meeting. To ensure that comments are compiled and forwarded to the Renaissance Zone Authority with enough time to review all comments, please submit your comments no later than 8:00 am the day of the meeting. Comments should also include which agenda item number your comment references and your

name. Late or anonymous comments will not be forwarded to the Renaissance Zone Authority or included in the minutes of the meeting. If you would like to appear via video or audio link for a 3-5-minute comment on a public hearing item, please provide your e-mail address and contact information to planning@bismarcknd.gov at least one business day before the meeting.

As always, live meeting coverage is available on Government Access Channels 2 and 602HD, or streaming live and archived online at FreeTV.org.

September 14, 2023**

The Bismarck Renaissance Zone Authority met on September 14, 2023, in the Tom Baker Meeting Room in the City-County Office Building at 221 North 5th Street and remotely via the online platform Zoom. Chair Christianson presided and was present in the Tom Baker Meeting Room.

Authority members present were Jim Christianson, Kirsten Dvorak, Joe Fink, Dustin Gawrylow, Nancy Guy and Greg Zenker.

Authority member Curt Walth was absent.

Design Advisor David Witham was present.

Design Advisor Eric Hoffer was absent.

Staff members present were Sandra Bogaczyk (Office Assistant II), Ben Ehreth (Director of Community Development), Isak Johnson (Planner), Julie Mees (Assistant City Attorney), and Daniel Nairn (Planning Manager).

Guests present were Mark Weber (Denton Family Enterprises) and Bryan Dean (Applewood Group).

CALL TO ORDER

Chair Christianson called the meeting to order at 4:00 p.m. and welcomed guests present.

MINUTES

The minutes of the August 10, 2023 meeting were distributed prior to the meeting.

MOTION: A motion was made by Ms. Guy and seconded by Ms. Dvorak to approve the minutes of the August 10, 2023 meeting. The motion passed unanimously by voice vote with members Dvorak, Fink, Gawrylow, Guy, Zenker and Chair Christianson voting in favor.

**DOWNTOWN DESIGN REVIEW – 224 WEST BROADWAY AVENUE
HERMAN EGGERS REVOCABLE LIVING TRUST AND DENTON FAMILY ENTERPRISES –
DEMOLITION**

Mr. Nairn gave an overview of the staff report and stated that the applicant, Herman Eggers Revocable Living Trust and Denton Family Enterprises, is requesting Downtown Design Review approval of demolition of the building at 224 West Broadway Avenue in order to expand off-street parking for the adjacent Dairy Queen to the west at 230 West Broadway Avenue. Mr. Nairn noted that the request is required of demolition projects within the Downtown District.

Mr. Nairn noted that the value of the building to be demolished is \$81,500, which is half of the

total value of the property. He noted that the structure was built in 1916 but is not in the Downtown Historic District and is not listed on the National Register of Historic Places. Mr. Nairn offered that Authority members could defer to the Historic Preservation Commission if desired.

Mr. Nairn stated that, based on the findings contained in the staff report, staff recommends approval of the proposed design for 224 West Broadway Avenue as presented in all submitted documents and materials, with the following conditions:

1. A Special Use Permit for the demolition for the purpose of creation of off-street parking is approved by the Planning and Zoning Commission.
2. The design of the parking lot meets the standards of the downtown design guidelines and is approved by the Downtown Design Review Committee.
3. Any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation.

There was discussion about the size, use, quality and condition of the current parking lot.

Mr. Weber stated that the parking lot would remain a parking lot, but the Dairy Queen driveway would be moved to the east to not bother people standing at the restaurant and stated that he would keep the large tree for summer shade.

Chair Christianson asked if the owner would be amenable to creating a pocket park.

Mr. Fink inquired why the application is being presented to the Downtown Design Review Committee since the applicant has no design to distribute. Mr. Nairn stated that the applicant is first wanting to know if the demolition would be supported before he buys the property and invests time and money into a site plan.

There was a discussion about creating conditions for the applicant to return to Downtown Design Review with a design plan if he purchases the property.

MOTION: A motion was made by Mr. Fink and seconded by Ms. Guy to approve the proposed design for 224 West Broadway Avenue as presented in all submitted documents and materials, with consideration of updated designs shown during the meeting and with the following conditions:

1. A Special Use Permit for the demolition for the purpose of creation of off-street parking is approved by the Planning and Zoning Commission.
2. The design of the parking lot meets the standards of the downtown design guidelines and is approved by the Downtown Design Review Committee.
3. Any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation.

The motion passed with members Dvorak, Fink, Gawrylow, Guy, Zenker and Chair Christianson voting in favor.

**DOWNTOWN DESIGN REVIEW – 215 WEST THAYER AVENUE
APPLEWOOD GROUP, LLC – REVISE DESIGN TO INCLUDE OFF-STREET PARKING**

Mr. Nairn gave an overview of the staff report and stated that the applicant, Applewood Group, LLC, is requesting Downtown Design Review approval for revisions to the October 14, 2021 approved design for 215 West Thayer Avenue. He stated that the approved design project in 2021 included six units in two buildings. The applicant proposes a new 6-lot parking area between the current building, on the southern portion of the lot, and a future duplex at the front of the property with no new designs or elevations for the new building having been submitted.

Mr. Nairn stated that, based on the findings contained in the staff report, staff recommends approval of the proposed design for 215 West Thayer Avenue as presented in all submitted documents and materials, with the following conditions:

1. Building elevations and designs consistent with the approved design will be utilized for the new duplex.
2. A revised site plan for the parking lot is approved prior to installation of the parking area.
3. Any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation.

Mr. Whitham stated that he was unsure if the proposed parking spaces have enough room for parking distances but noted that question would be resolved in the site plan process.

Chair Christianson invited Mr. Dean to address Authority members about his project timeline. Mr. Dean stated that he would construct the parking lot before constructing the duplex and he intends to build parking spaces for each of the three existing units. Mr. Dean affirmed that he would build the duplex, likely within the next year after installing the parking.

Mr. Witham requested that the applicant please consider constructing a one-way driveway and angled parking and Mr. Dean accepted that suggestion.

MOTION: A motion was made by Ms. Guy and seconded by Ms. Dvorak to approve the proposed design for 215 West Thayer Avenue as presented in all submitted documents and materials, with the following conditions:

1. Building elevations and designs consistent with the approved design will be utilized for the new duplex.
2. A revision to the site plan for the parking lot is approved prior to installation of the parking area.

3. Any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation.

The motion passed with members Dvorak, Gawrylow, Guy, Zenker and Chair Christianson voting in favor. Authority member Fink opposed.

OTHER BUSINESS

UPDATE ON RENAISSANCE ZONE RENEWAL PROCESS

Mr. Nairn summarized the results of the City Commission, School Board, and Parks Board approval of support for the Renaissance Zone and mentioned that the Burleigh County Commission withdrew the item from their agenda out of respect for the passing of Burleigh County Commission Chair Becky Matthews and noted that the Burleigh County Commission must decide when the item could be on a future agenda. Mr. Nairn recited the dates of the upcoming Burleigh County Commission meetings to answer Ms. Dvorak's inquiry.

Authority members came to a consensus about not requesting the item during budget meetings.

Mr. Fink asked what projects are waiting for potential Renaissance Zone approval from the commission. Mr. Nairn cited two projects and stated that those applicants would likely apply as soon as the program is available and support the renewal of the Renaissance Zone.

REPORT FROM DOWNTOWNERS

There was nothing to report but Chair Christianson announced that the Street Fair is happening this weekend.

ADJOURNMENT

There being no further business, the meeting of the Bismarck Renaissance Zone Authority adjourned at 4:28 p.m. to meet again on October 12, 2023.

STAFF REPORT

Agenda Item # 2
November 9, 2023

Application for: **Downtown Design Review**

Project ID: **DDR2023-009**

Project Summary

<i>Title:</i>	Heartland Law Office
<i>Status:</i>	Renaissance Zone Authority
<i>Property Owner(s):</i>	W&I Investments, LLCS - Owner Heartland Law Office, P.C – Applicant
<i>Project Contact:</i>	Jason Frank, Diversity Homes, Inc
<i>Project Location:</i>	418 North 2nd Street
<i>Applicant Request:</i>	Replace front porch, and install new siding and windows
<i>Staff Recommendation:</i>	Approve

Project Narrative

Heartland Law Office, P.C. is requesting downtown design review approval for modifications to the exterior of the existing building at 418 North 2nd Street

The applicant intends to replace an existing front porch, reusing the existing stairs and railing. The siding on the front facade and windows throughout the building will be replaced.

Project Context

Land uses adjacent to the project area are depicted on the adjacent map:

Review Standards and Findings of Fact

The request is evaluated according to standards contained within the Comprehensive Plan, Bismarck Code of Ordinances, and relevant state law. Findings of fact, related to land use, are presented in response to each standard.

Design standards of the DC – Downtown Core or DF – Downtown Fringe zoning districts, as applicable, would be met with the proposed design (Section 14-04-21.1(4), 14-04-21.2 (4))

Yes. There are no minimum required setbacks in the DF – Downtown Fringe zoning district. The new deck and stairs will be contained entirely within the property lines.

Off-street parking is not required in the DF – Downtown Fringe zoning district. However, there is a 15-lot parking lot in the rear of the building that is accessed from an alley that will remain. A separate entrance to the building is available from the parking area.

The 2015 Downtown Design Guidelines, and other relevant plans and policies, would be adhered to with the proposed design (Downtown Design Guidelines)

Yes. The building was originally a residence, utilizing traditional residential design elements. The new occupant will be a law firm, but the residential characteristics will remain intact. The following changes will be made:

- The existing deck will be replaced in place, with the new deck approximately two feet wider, centered on the door. The depth will be the same. The existing rail and stairs will be reused.
- The front wall siding is currently a white horizontal lap siding. This would be replaced with a black steel siding with vertical ribs spaced approximately one-foot apart. There will be no visible screws or seams in the siding.

- The gables are currently sided with a maroon horizontal lap siding. This would also be replaced with the same black vertical siding.

Example of siding material (to be black)

- The ground-level soffits would also be replaced with a matching black color.
- All windows will be replaced with black vinyl Andersen 100 windows.

Because of the relatively minor changes proposed, the only relevant design guidelines relate to the material and color selection.

The dark siding will create a high contrast with the existing white walls, which is also evident on other buildings in the area. The design will remain complementary to the surroundings. The Design Review Committee and Design Advisors may make a determination on the durability and quality of the siding materials.

The project would meet all applicable building code requirements.

Yes. Adherence to building and fire codes would be verified prior to issuance of a building permit, subject to review of more detailed building plans.

(continued)

There are no features of the proposed design submitted with this request that present an obvious and insurmountable conflict with building code requirements.

Proper administrative procedures related to the request are being followed (Section 14-04-21.1(4)b, 14-04-21.2 (4)b)

Yes. An application requesting downtown design review approval has been submitted to the Community Development Department. Staff have reviewed the application and submit to the Renaissance Zone Authority for final consideration.

The public health, safety and general welfare will not be adversely impacted by the proposed design ([Goal S10-a](#))

Yes. As a cumulative result of all findings contained in this staff report, City of Bismarck staff find that the proposed design would not adversely impact the public health, safety, and general welfare.

Staff Recommendation

Based on the above findings, staff recommends approval of the proposed design for 418 North 2nd Street as presented in all submitted documents and materials, with the condition that any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation.
