Authority members Kate Herzog and Greg Zenker were not present.

Design Advisor David Witham was present.

Design Advisor Eric Hoffer was not present.

Staff members present were Sandra Bogaczyk (Office Assistant II), Ben Ehreth (Community Development Director) and Isak Johnson (Planner).

Guests present were Mark Haag (Property Owner) and Kelsi Hach via Zoom (Property Owner).

CALL TO ORDER

Chair Christianson called the meeting to order at 4:00 p.m. and welcomed guests present.

MINUTES

The minutes of the May 8, 2025 meeting were distributed prior to the meeting.

MOTION: A motion was made by Ms. Guy and seconded by Mr. Bakken to approve the minutes of the May 8, 2025 meeting. The motion passed unanimously by voice vote with members Bakken, Doll, Dvorak, Fink, Guy, Lee and Chair Christianson voting in favor.

DOWNTOWN DESIGN REVIEW – 609 NORTH 4TH STREET MARK HAAG – REHABILITATION

Mr. Johnson gave an overview of the staff report and stated that the applicant, Mark Haag, is requesting Downtown Design Review approval for rehabilitation of an existing single-family home at 609 North 4th Street. Mr. Johnson explained that Mr. Haag intends

to do both interior and exterior renovations with the intent to rent rooms within the structure to traveling professionals such as doctors or nurses.

Mr. Johnson stated that, based on the findings contained in the staff report, staff recommends approval of the proposed design for 609 North 4th Street as presented in all submitted documents and materials, with the condition that any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation.

Ms. Hach described the paint colors not included in the agenda packet.

Mr. Witham stated that he has no issues with the project.

MOTION: A motion was made by Mr. Fink and seconded by Mr. Bakken to approve the proposed design for 609 North 4th Street as presented in all submitted documents and materials, with the condition that any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation. The motion passed with members Bakken, Doll, Dvorak, Fink, Guy, Lee and Chair Christianson voting in favor.

DOWNTOWN DESIGN REVIEW – 401 EAST MAIN AVENUE FUNATIX EVENTS – DEPOT WINDOW CLING SIGNS

Mr. Johnson gave an overview of the staff report and stated that the applicant, Funatix Events, is requesting Downtown Design Review approval of a window cling sign which cannot be completed administratively at 401 East Main Avenue. Mr. Johnson explained that the applicant intends to adhere window cling signs that double as advertising with the intent to provide some screening from sunlight. The Downtown Design Review Committee was asked to evaluate the request due to the amount of window surface coverage.

Mr. Johnson stated that, based on the findings contained in the staff report, staff recommends reviewing the findings and acting on the proposed window cling signs for 401 East Main Avenue as presented in all submitted documents and materials, with the condition that, if approved, any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation.

Mr. Witham stated that since the sign is well off the sidewalk he had no problems with the sign itself but noted that the sign design seemed to be more sign than screening and suggested using an interior window treatment to shade the sun.

Mr. Bakken stated that the new 25% threshold established for window coverage should be upheld and this request goes beyond that coverage.

Ms. Guy agreed with Mr. Witham that the projects seems more advertising than shade and noted its non-compliance with current ordinance regarding window coverage.

There was discussion about the sign positioning in relationship to a pedestrian walking on the sidewalk and that sign permits have no expiration date.

Mr. Bakken stated that he has no negative comments about the sign request.

Mr. Witham stated that the windows would be more opaque than desired.

Mr. Fink stated that the request is in front of the Downtown Design Review due to the project exceeding the allowable 25% window coverage and suggested that members either deny approval or change the rule.

Ms. Doll agreed that it would set a bad precedent to approve this request. Ms. Guy agreed.

MOTION: A motion was made by Mr. Bakken and seconded by Ms. Dvorak to approve the proposed window cling signs for 401 East Main Avenue as presented in all submitted documents and materials, with the condition that any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation. The motion was denied with members Bakken and Lee voting in favor and members Doll, Dvorak, Fink, Guy and Chair Christianson voting against.

OTHER BUSINESS

Mr. Ehreth announced a procedural change for all advisory boards in the City of Bismarck to provide time for a public comment period, and the Bismarck City Commission approved a policy that all governing bodies which provide recommendation to the City Commission must allow a public comment period to be the first agenda item to allow five minutes to each speaker for a total comment period of thirty minutes at the discretion of the chair at each regularly held meeting. Subjects may include non-public hearing items from the current or the immediately previous agenda. Subcommittees are not included in this rule.

Project Summary

<i>Title:</i>	Zimmerman's Mural
<i>Project Type:</i>	Downtown Design Review
<i>Status:</i>	Renaissance Zone Authority
<i>Property Owner(s):</i>	Gene & Lillian Zimmerman
<i>Project Contact:</i>	Melissa Gordon
<i>Project Location:</i>	201 East Main Avenue
<i>Applicant Request:</i>	Create a mural on the side of a building
<i>Staff Recommendation:</i>	Approve

Project Narrative

Melissa Gordon, with the consent of the property owners, is requesting downtown design review approval of a public art mural on the west side of the Zimmerman's Furniture Clearance Center at 201 East Main Avenue. The project is intended to celebrate the 40th anniversary of the Odney Advertising agency, who wish to donate the mural to the public.

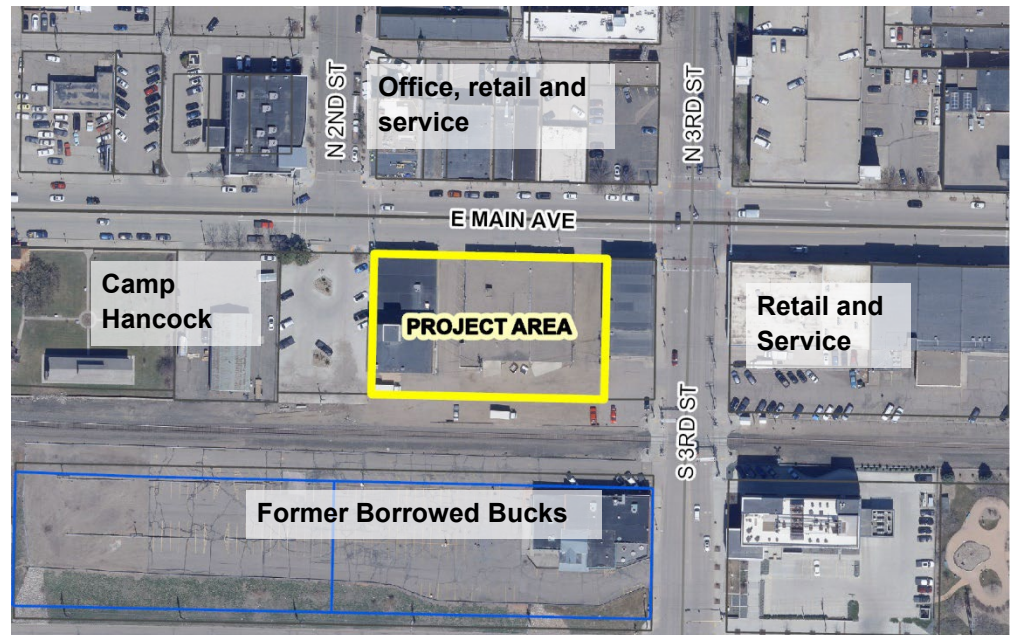

The property owner has agreed to let a portion of the west side of their building be the canvas for this mural. In addition to the painting itself, the project will include some work to repair the existing wall by grinding some uneven surfaces and smoothing wall transitions. Cement and caulking will repair the cinderblock portions of the wall and any loose existing paint will be pressure washed prior to the mural's installation.

An exhibit of the mural's design is attached with this staff report. The applicant has stated that the chosen artwork is intended to be a celebration of both North Dakota and Bismarck, specifically.

Project Context

Land uses adjacent to the project area are depicted on the adjacent map:

Review Standards and Findings of Fact

The request is evaluated according to standards contained within the Comprehensive Plan, Bismarck Code of Ordinances, and relevant state law. Findings of fact, related to land use, are presented in response to each standard.

Design standards of the DC – Downtown Core or DF – Downtown Fringe zoning districts, as applicable, would be met with the proposed design (Section 14-04-21.1(4), 14-04-21.2 (4))

Yes. Public art within the downtown zoning districts is subject to Downtown Design Review.

The proposed design is not intended to be installed on the façade of a structure that is contributing to the National Register of Historic Places. Additionally, it is proposed to go on the west side of the building, therefore it is not directly adjacent to the public right-of-way. The mural is not commercial in nature.

The 2015 Downtown Design Guidelines, and other relevant plans and policies, would be adhered to with the proposed design (Downtown Design Guidelines)

Yes. The Downtown Design Guidelines and Streetscape Standards call for buildings and design elements to be inviting to people and placing an emphasis a pedestrian scale. Public art, including murals on the sides of buildings, advances this goal of making the downtown more vibrant and inviting for all.

The project would meet all applicable building code requirements.

Yes. No building permit is required for a mural.

Proper administrative procedures related to the request are being followed (Section 14-04-21.1(4)b, 14-04-21.2 (4)b)

Yes. An application requesting downtown design review approval has been submitted to the Community Development Department. Staff have reviewed the application and submit to the

(continued)

Renaissance Zone Authority for final consideration.

The public health, safety and general welfare will not be adversely impacted by the proposed design ([Goal S10-a](#))

Yes. As a cumulative result of all findings contained in this staff report, City of Bismarck staff find that the proposed design would not adversely impact the public health, safety, and general welfare.

Staff Recommendation

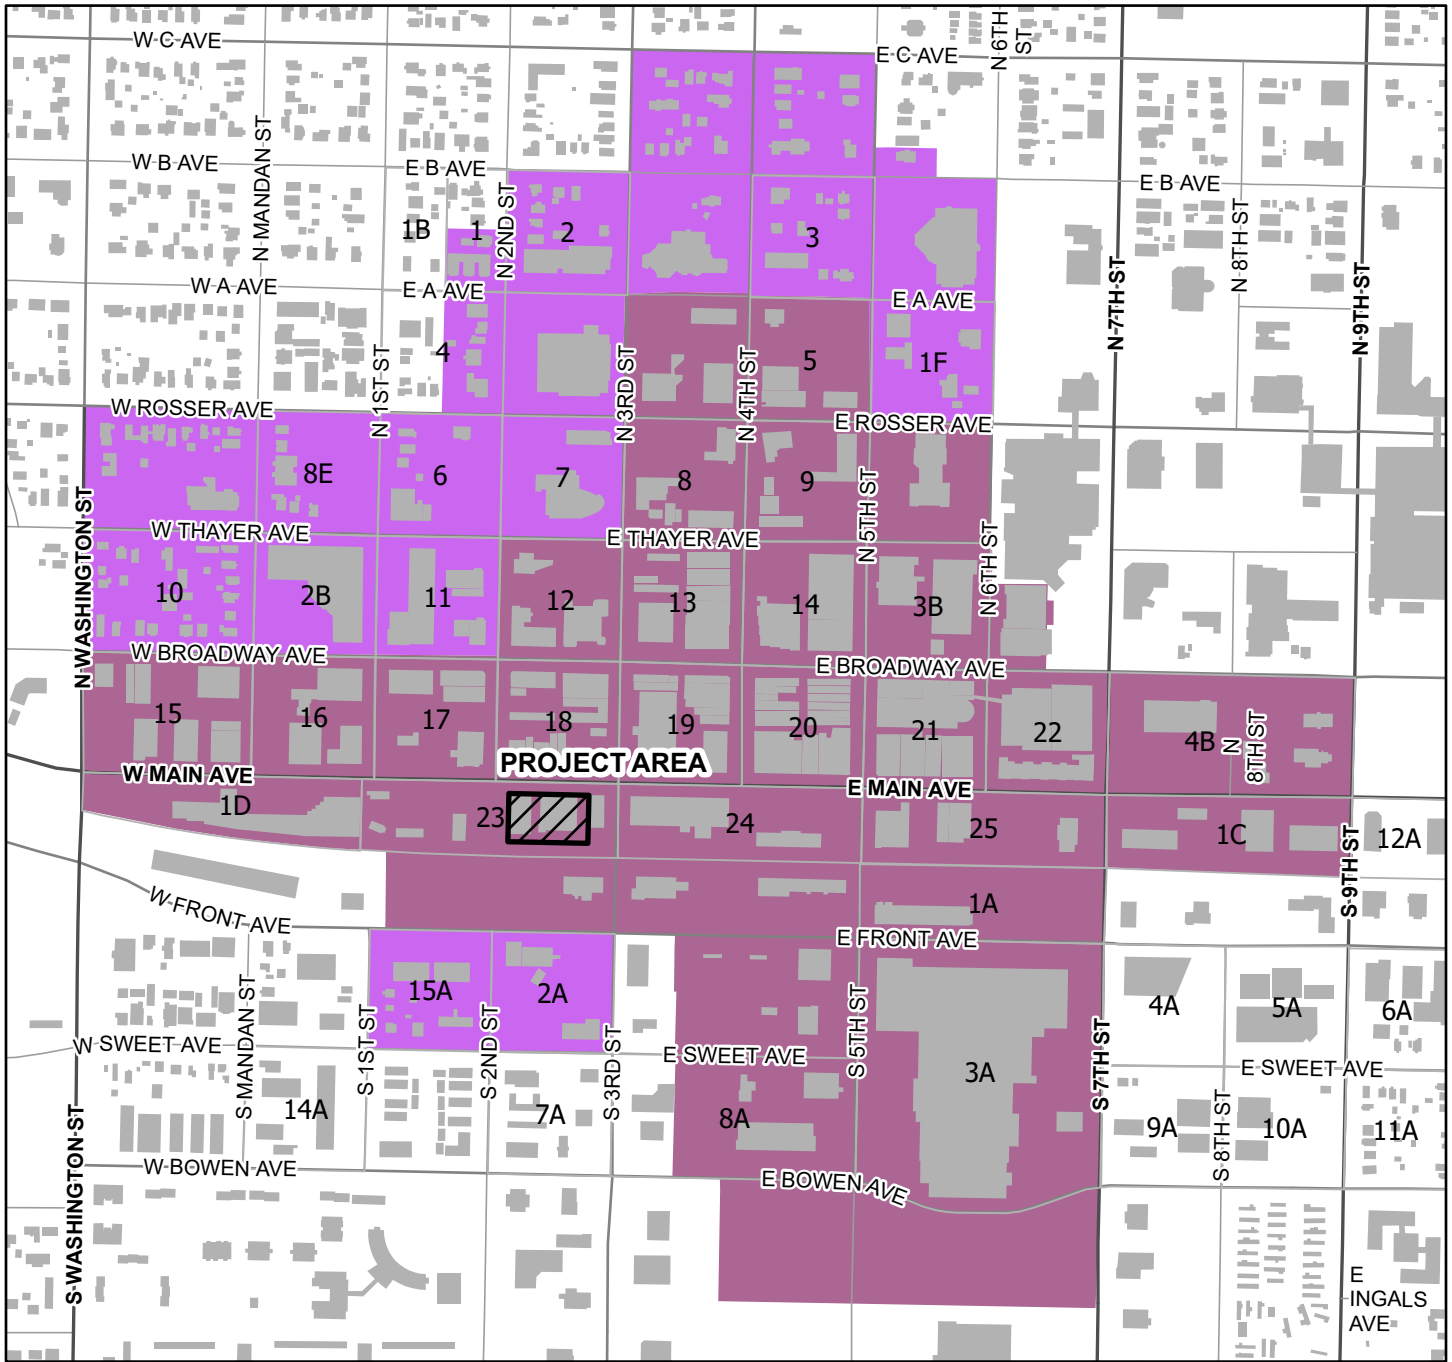

Based on the above findings, staff recommends approval of the proposed public art mural at 201 East Main Avenue as presented in all submitted documents and materials, with the condition that any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation.
